### Background

Ruth Barnes was a woman who had a true affinity for children. Ruth was a dedicate member and long-time secretary treasurer of Shelby FOP Lodge 41. She was a driving force behind the creation of this golf tournament. After her passing it was unani-mously voted to name this tournament in her memory. We at Shelby County Fraternal Order of Police Lodge 41 continue Ruth's legacy by donating proceeds from the tournament to Owens House Child Advocacy Center.

### Beneficiary

Owens House believes that through intervention education and awareness, community engagement and public-private partnerships, they can end the cycle of child abuse and violence.
